Only two options are possible for registration: 1. 'Meals, accommodation and attendance', or 2. 'Attendance only for one or more days' with no accommodation and no meals. Other options are not possible! If you want to eat in the cafeteria, you will have to register with the 1. option, even if you are accommodated elsewhere. The meals work with the all-or-nothing-principle, this means you can not order and pay for one meal only. The prices are way too low for such an option!

Meals consist of: 4x breakfast, 3x lunch, 3x supper. Accommodation consists of classrooms with up to 40 youth using your own sleeping bag. Toilets are available on each floor, showers are located in the gym. All are welcome to participate, but we want to point out again that this is a youth convention.

* *Adult Registration is an extra 10.00 Euro, to support lower youth registration fees. This is a youth convention and although we encourage all to come, our goal is to keep fees low for the youth.*

** *The youth group has to be an official youth group of a Seventh-Day Adventist Church. Because of this only the youth leader or his assistant can register a youth group. Group registration is only possible with a minimum of 10 youth.*
